"Preparing communication managers the world will always need"

ISTC is a Management and Communication College that has been training operational, strategic and forward-thinking communication professionals since 1991.

Preparing its students for today's and tomorrow's world of communication, ISTC is the only communication school in France offering an INTEGRAL EXPERIENCE by:

- increasing the knowledge base
- acquiring communication competences
- encouraging international experience
- developing personalities

Based on these values:

CREATIVITY - RESPONSIBILITY -
HIGH STANDARDS - AGILITY

3-year Bachelor programme and
2-year Master programme

Ranked among the Top 5 of French
institutions offering communication
programmes (2023 Eduniversal ranking)

Very active alumni community

Member of Université Catholique de
Lille, the biggest private university in
France with 40 000 full-time students

Labeled by French Government.
Recognized as promoting the public
interest
